		Maintenance escalates at 7,50% per annum

End of Term Clause

In the event that no arrangement has been made between the Customer and the Company to return, renew or refinance the Equipment at the end of the Rental Period, the Agreement shall be automatically renewed on a month to month basis commencing on the day following the expiry of the Rental Period.

In addition, the Company's prevailing short term rates will apply from the fourth month, and for each month thereafter, following the end of the Rental Period.

Where the Customer exceeds the allowed monthly hours, the Company reserves the right in its sole discretion to restructure the relevant Schedule by reducing the Rental Period and increasing the Monthly Rental and Maintenance Charge.

Exclusions

Repair or Replacement of Tyres	Costs of fuel and/or consumables
Repair or Replacement of Forks	Fuel
Repair or Replacement of Batteries	Insurance
Repair or Replacement of Seat	Driver & Driver Training
Repair or Replacement of Batteries & Chargers for battery operated equipment	Load Test
Repair or Replacement of Additional equipment (Reverse Buzzer, Strobe Light, Load Back Rest)
